Thank you for your interest in our restaurant for your next special occasion. Over the years, Chandler's has earned a reputation for making these events a truly impressive experience. We look forward to the opportunity to make your special gathering something extraordinary.

As a full service restaurant we offer a wide range of menus for wedding receptions, rehearsal dinners, formal business dinners and other important affairs. From hors d'oeuvres to a full course meal, you'll find a host of imaginative, delicious choices prepared by our award-winning chef. And, with different function rooms available that can accommodate from 10 to 100 guests, we can offer the perfect environment to meet your needs. Chandler's is also happy to offer off-site catering for events at your business, home or other venue.

Throughout the years Chandler's has become famed for more than its cuisine. Our outstanding wine selection was voted Best in the Valley, while our unique ambiance led to our selection as Most Romantic Restaurant in the Valley. Chandler's has been given the Award of Excellence from Wine Spectator for twelve years running.

To help you in your planning I've included some suggested menus along with additional details about our services. Our function staff will be happy to assist you at every phase to assure the success of your special gathering.
